Art, librarian

Special Ed/Learning Center

6<sup>th</sup> grade (mid April–June 1–cover maternity leave)

Facilities: Located on the far northern side of Bogota, the ECA campus has two sections. The "new brick building," a two-story J-shaped building, houses most of the classrooms, as well as the teacher office, administrative areas, a library with over 20,000 volumes, and the computer lab. The "old wooden building" holds the auditorium, science lab, music room, and indoor dining area. An external dining area with an open kitchen is used for cooking projects and special events. Recreational facilities include a soccer field, a basketball court, a big room fondly known as "the gym," and an elementary playground.
